

Enriching Your World with Art -Instructor Jane Gravois #352-318-8921

Mondays Sept. 9th - Dec. 16th 2019 Jan. -May 2020 class descriptions announced in Dec.

Discover and create with the visual language of art! Explore different art media while developing your own expressions in visual form. Learn how artists get their ideas and make them meaningful. Gain an appreciation and understanding of art forms, art history and the connection of art to daily life. In this multi-age class, all students learn together, work at their own pace and share ideas. Individual ideas and expressions are welcomed and encouraged.
